## Who We Are . . .

Lost Angels Animal Rescue, Inc. is an ALL volunteer, non-profit organization founded by a small group of very dedicated and experienced animal lovers and caretakers. Lost Angels is funded by private donations and fund raising events and does NOT receive any local, state or federal funding. The largest expenditure comes from providing veterinary care for animals including surgeries, spay/neutering, vaccinations, and more.

Lost Angels relies exclusively on donations to provide food and medical care, including the spaying or neutering of adoptable pets. There are NO paid employees so 100% of all donations go directly to the care of the animals.

Lost Angels works closely with our local county animal services. Nearly 80% of our rescued dogs come directly from their shelters. These are dogs on death row who may need time to heal from an injury or illness, or who may be "too old" for traditional adoption at county facilities - and there is simply no room for them to stay at these facilities until they are adoptable.

Lost Angels also takes injured and homeless animals from the local community, when we have room and funding.

Lost Angels provides education for the local community on many topics including: spaying and neutering of pets, pet overpopulation and what the local community can do to help, and the link between animal abuse and human abuse.

**Putting Animals First!!**

## OUR MISSION

To place unwanted, orphaned and abused dogs into the most loving and safe home possible!!

## Did You Know?

- One female dog can have approximately 15 to 20 puppies in one year
- Heartworms are transferred by mosquitoes
- Many cities nationwide no longer need to put animals to "sleep"
- A dog's health is better after being spayed or neutered
- Approximately 70,000 dogs are born every day in the United States because of uncontrolled breeding
- Each year millions of dogs are euthanized
- In Hillsborough County there are over 38,000 intakes with more than 36,000 euthanized at Animal Services. Their adoption rate is 8.1% including all those that go to rescue groups!

## How Can You Help Lost Angels?

- **Sponsor A Dog**
- **Donate Money or Animal Care Items**
- **Foster A Dog**
- **Adopt A Dog**

### **Sponsor A Dog**

There are many animals that have serious health conditions and need treatment. In life-threatening cases, Lost Angels must find a sponsor as soon as possible. For other conditions that are not so life-threatening, Lost Angels must wait for a sponsor to help each animal. Since Lost Angels is a non-profit, help is needed. Please keep in mind that 100% of all contributions will go toward the animals.

### **Donate Money or Animal Care Items**

Donations are needed. Monetary contributions are always welcome. Animal care items are also needed. While our animals wait for permanent, loving homes they need the following items:

- Medical care (Routine and Special Needs)
- Puppy Food (lams, Nutro, Science Diet)
- Dog Crates

### **Foster a Dog**

While waiting for loving homes, Lost Angels Approved Foster Parents are needed. Lost Angels Foster Parents provide a loving, caring environment for dogs until they can be placed in permanent homes.

### **Adopt a Dog**

Give a dog a loving home. Prior to adoption, all animals are up-to-date on shots, spayed/neutered, wormed, treated with Advantage, micro-chipped and placed on heartworm preventative. View our animals up for adoption and fill out an application today.

For more information, please visit our "How to Help" section of our website at [www.lostangelsanimalrescue.org](http://www.lostangelsanimalrescue.org).

## Want to Volunteer?

- Yes. I would like to volunteer to foster dogs/puppies. Please send me more information.
- Yes. I would like to volunteer to help with fund raising. Please send me more information.
- Yes. I would like to volunteer to help out at adoption events. Please send me more information.
- Yes. I would like to volunteer in another way. Please contact me.
